- 4 Hello, everyone. Today I will tell you about my summer vacation. This summer I enjoyed visiting my grandparents in Canada and being with my parents in America. Before I went back to America, I went to Canada to visit my grandparents because August 2 was my grandmother's birthday. I arrived at the airport on July 31, and they drove me to their house. They live near a lake. The next morning, I enjoyed fishing in the lake. After lunch, I wanted to enjoy swimming in the sea, but it began raining. So, I went shopping with my grandfather to buy a present for my grandmother. The following day was her birthday, and I enjoyed swimming in the sea with my grandparents and we ate lunch on the beach. In the afternoon, I enjoyed cooking dinner for my grandmother. We had a nice birthday for her. And the next day, I went back to my house in America. I had a very good summer vacation. Thank you for listening.

Miki: Oh, is that the movie about the famous soccer team?
Jim: That's right. I like one of the actors.
Miki: I saw it two weeks ago. It was excellent!
Jim: What did you like about the movie?
Miki: I liked the story the best. You know it's a true story. It encouraged me a lot.
Jim: That sounds good.
Miki: Actually, I bought a book about the history of the soccer team. It was interesting, too.
Jim: Really?
Miki: Yes. I think you will like the movie. The music in the movie was also good. In the movie, when the team has a difficulty, we hear exciting music. For example, the team was very weak and then one of the players cried a lot and ...
Jim: Wait, Miki! I haven't watched the movie yet.
Miki: Oh, I'm sorry. Let's talk about it next week. OK?
